

# Florida at Texas

Sat, Oct 17, 2026 | 12:00 PM EDT | DKR-Texas Memorial Stadium

## UPCOMING GAME | BROADCAST HEADLINES

### 01 Can Baugh get Florida back on schedule?

- Baugh still has an **FBS-leading 12 rushing TDs**. His yards/carry fell from **7.23 to 2.67**, with declines in every box-count group.
- **11 of his last 27 carries gained zero or fewer yards**, compared with 8 of his first 83.
- Texas stuffs 20.9% of runs(6th in the SEC) and has the SEC's lowest broken/missed-tackle rate(9.1%).

### 02 Texas's pressure meets Florida's protection problems

- Texas leads the SEC in pressure rate(**41.1%**); its third-down rate is **51.0%, 3rd**.
- Florida's blown pass-block events rose from **7.2 to 20.0 per 100 team blocking snaps** across the two windows.
- Simmons leads the FBS with **9.5 sacks and 12 TFL**. He still has **4 sacks and 11 pressures outside the Tennessee game**.

### 03 Florida is completing passes, but getting less from them

- Completion rate barely changed(**73.1% to 70.7%**); yards/attempt fell from **10.49 to 7.33**.
- Stockton and Wilson account for **53.1% of Florida's receiving yards over the last two games**. Stockton had 127 yards against South Carolina, after 25 at Missouri.
- Texas allows **4.71 yards/attempt in man and 6.86 in zone**: 1st and 3rd-lowest in the qualifying SEC coverage samples(minimum 30 attempts).

### 04 More stuffs haven't solved Florida's tackling

- Florida's stuff rate improved(**9.3% to 20.3%**), but yards after contact allowed/rush rose from **2.65 to 3.74**.
- South Carolina's **31.3% broken/missed-tackle rate** was the highest among 125 Florida games reviewed.
- Texas has its own running-game issues: **44.8% rushing success(SEC 12th)**, **2.89 line yards/rush(14th)**.

### 05 Manning's deep throws bring yards and interception chances

- On throws traveling 20+ air yards: **9-for-20, 315 yards, 2 TDs and 3 INTs**.
- Coleman, Wingo and Mosley have **31, 30 and 28 targets**. Coleman and Wingo account for 8 of Texas's 10 receiving TDs.
- Florida's recent yards/attempt allowed rose in both man(**5.15 to 10.65**) and zone(**7.49 to 10.03**). The opportunity is to force mistakes without giving back the explosive play.

## PREVIOUS GAME NOTES | FLORIDA

South Carolina 38, Florida 19 | October 10

- **Completions without enough return**: 27-for-36(75%), 267 yards, 1 TD and 2 INTs. Screens were 10-for-10 for just 53 yards.

- **Stockton and Wilson carried the receiving**: 127 and 74 yards, respectively; **75.3% of Florida's receiving yards and 20 of 36 targets**.
- **Too many disrupted downs**: Baugh had 59 yards on 15 carries, with **5 stuffs**. Florida allowed pressure on 14/43 dropbacks and 3 sacks; 8 blown pass blocks on 43 blocking snaps.
- **Pressure didn't become stops**: Florida's pressure rate improved to 36.8%, but South Carolina threw for 284 yards and 4 TDs. **111 of 127 rushing yards allowed came after contact**; the 31.3% broken/missed-tackle rate was the highest among 125 Florida games reviewed.
- **Yards left unfinished**: drives of **72, 52 and 62 yards** ended in a field goal, missed field goal and fumble.

## PREVIOUS GAME NOTES | TEXAS

Oklahoma 27, Texas 24 | October 10

- **The score wasn't all on the defense**: Oklahoma had only **one offensive TD drive**. Texas also conceded TDs on a punt play and an interception return.
- **Halftime stall**: Texas's first four second-half possessions were punts: **43 yards on 13 plays**. Its next possession ended in the interception-return TD.
- **Late chances slipped away**: after a fourth-quarter TD, Texas drove **38 yards on 7 plays** and missed a field goal. Its next possession ended in an INT; Oklahoma answered with the winning FG.
- **Downfield risk/reward**: Manning was **6-for-12, 162 yards, 3 TDs and 2 INTs** on throws of 10+ air yards(62.3% of passing yards). Against zone: 17-for-27, 204 yards, 2 TDs and 2 INTs; only 2 man attempts.
- **Limited short-pass help**: screens produced **23 yards on 4 attempts**; non-screens, 237 on 25(2 unclassified). Run blocking had **5 blown blocks/28 snaps**.

## #3 Rasheem Biles | LB

- **Tied for the SEC lead in INTs(2) and INTs/game(0.40)**; 5th in the league in total tackles(42).
- Texas's leading tackler had **13 at Tennessee and 12 against Oklahoma**. He also has 4.5 TFL.

2026 TOTALS | 5 recorded GP

| TKL | Solo | Sacks | TFL | INT | FF |
|-----|------|-------|-----|-----|----|
| 42  | 21   | 1     | 4.5 | 2   | 1  |

## #1 Colin Simmons | EDGE

- **Leads the FBS in sacks(9.5), sacks/game(1.90), TFL(12.0) and TFL/game(2.40)**. Also SEC-leading with 2 forced fumbles.
- His **5.5 sacks at Tennessee set the Texas single-game record and tied the SEC record**.
- **21 pressures/103 rushes(20.4%) and 9.5 sacks** in five games.
  - Split | Pressures/Rushes | Pressure% | Sacks
  - Tennessee | 10/29 | 34.5% | 5.5
  - **Other four games | 11/74 | 14.9% | 4.0**
- Tennessee supplied **57.9% of his sacks**, but the production extends beyond that game.
- Jackson also had **10 pressures on 29 rushes** against Tennessee, with zero sacks. Pressures and sacks show different parts of the matchup.

2026 TOTALS | 5 recorded GP

| TKL | Solo | Sacks | TFL | INT | FF |
|-----|------|-------|-----|-----|----|
| 17  | 12   | 9.5   | 12  | 0   | 2  |

## #40 Lance Jackson | EDGE

- **17 pressures/106 rushes(16.0%)**, with 1 sack.
- Tennessee: **10 pressures on 29 rushes**, matching Simmons's pressure count and opportunities.
  - Simmons had 5.5 sacks; Jackson had zero. A low sack total does not capture his pressure production.
